Considerations

- Rubber boots are provided at the lodges, and only sizes under 44 European standards are available.
- Bright colored clothes are not recommended it may scare wildlife away avoid pink, orange, red.
- Purified water is provided at lodges bring your canteen to avoid using plastic bottles.
- Towels and toilet paper are provided at lodges but bring your personal hygienic products.
- vaccinations are not required for visiting the Tambopata and Manu regions.
- The Lodges we use they only relies on solar pannel system so electricity is limited so consider bringing your electronical full charged.
- The Hot showers relies on solar system it could limited depending of weather conditions.

Essentials for traveling to

MANU & TAMBOPATA
